Project Information

Description: Volunteers are asked to develop food drives, to collect non-perishable and perishable items for low-income and homeless families. Our community continues to be negatively impacted by the economy. Our in-take of food remains marginally favorable; however, to meet the unfortunate demands we need to continue to ask for help. Our Feed-A-Family Food Packages and Hot Meal programs depend on the gifts from individuals, service organizations and churches etc. of this wonderful community.

Who will benefit: The 60+ Families that each day pick of bags of food at HUMS Daytona Beach location.

Long Term Impact: Instead of buying a lot of food for a month, a family might either be able to pay for a motel room if they are homeless or pay their rent, mortgage or electric bill if they already have a home. Also, community awareness of homelessness in Volusia County.

Agency to provide: List of suggested items to collect. Snacks and drinks at the drop-off site. Banners and support information about HUM.

Location: Drop off in Daytona Beach

Time: Food drives can be done in advance of Make A Difference Day and the items dropped off on October 24th between 11am and Noon. Or, the food drives may take place on October 24th as your schedule permits. *Some activity must take place on October 24th to be considered a Make A Difference Day project.*
