

**Social Service Agency of the Jewish
Federation
Volusia and Flagler Counties
Food Drive**

This project's drop off date is Sunday, October 25th for religious reasons.

Agency Description: The Social Service Council of the Jewish Federation of Volusia & Flagler Counties, Inc. was established as a separate reporting committee in 1981 in response to a growing community need. This was demonstrated by an increasing number of requests for assistance made by individuals and families relating to financial stress, care of the aged, child welfare and other personal emergencies. The Social Service Council is the body within the Jewish Federation that assesses and renders social services for the benefit of Volusia & Flagler County residents, regardless of race, religion or nationality.

Description: Food Drive

We would like food drives for our Food Pantry. We help the less fortunate, regardless of race or religion from all of Volusia and Flagler Counties. This year's project will involve organizations adopting certain items—buying multiples of that item. For example, one group buys macaroni & cheese, another small jars of peanut butter and another soups of all kinds. 99% of our recipients are not Jewish; we would appreciate support from the Community. Our food pantry is not designated by one area.

Who will benefit: The less fortunate, regardless of race or religion from all over Volusia and Flagler Counties. The need is great. It doesn't take long for a family to become hungry when you have been let go and there are no other job prospects. The number of people helped will depend upon how much is raised. We assist approximately 1600 people each month.

Long Term Impact: We see so many people who live paycheck to paycheck and when an emergency arises they can't pay their bills or buy food for themselves and their families. By giving out quality food, that has not expired, we give them a hand up and not a hand out. The people are able to get back on their feet quicker.

Location: Ormond Beach

Time: Sunday, October 25th, 10am-4pm

Volunteer Needs

Number of Volunteers Needed: Unlimited

Minimum Age: All ages are welcome

Special Skills or Requirements: Please be sure the food has not expired. Thank you.
